

(English translation, the original version is in French)

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Members States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product:

SCR ALLIANCE

Systems of mechanically fastened flexible roof waterproofing membranes

Use category:

Waterproofing of roof surfaces against penetration of atmospheric water

placed on the European economic area market by:

ICOPAL SAS

Les produits Siplast
12 rue de la Renaissance
92184 ANTONY Cedex
FRANCE

and produced in the factory:

ICOPAL SA. - Usine de Cormemont - 30 rue de la Poterie - 41170 MONDOUBLEAU - FRANCE

was submitted by the manufacturer to the initial type-testing for the relevant characteristics of the product, is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body – CSTB – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control (system 2+).

This certificate attests that all provisions concerning the attestation of conformity of factory production control described in the technical specification in reference:

"European Technical Approval ETA-07/0305 valid from 13 March 2009 to 12 March 2014"

are applied.

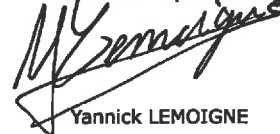

This certificate can only be used in conjunction with the declaration of conformity of the product written by the manufacturer or his authorised representative established in the European economic area and with the technical specification in reference.

This certificate is first issued on 26 February 2010 and, except for withdrawal or suspension, remains valid as long as the conditions laid down in the corresponding technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly and latest on 12 March 2014.

The list of the conformity certificates issued by CSTB is kept up-to-date by the CSTB.

Issued in Champs sur Marne, on 26 February 2010
